

THE GATHER FOR GOOD

Marin Montessori School

WHY WE GATHER

Over the past five years, The Gather has played a pivotal role in showcasing the creativity and vibrancy of the **Marin Montessori School** community. Since 2014, the efforts and generosity of countless volunteers and donors resulted in raising over \$1,130,000 in support of Tuition Assistance and faculty professional growth.

Last year we had an audacious goal: to increase our ability to welcome students of all economic backgrounds and to challenge ourselves to develop an event that feeds both our hearts and minds. In February 2020, we launched The Gather for Good, a mission-aligned speaker series that welcomed former Vice President Al Gore to challenge and celebrate our community's commitment to understanding and combatting the climate crisis.

This year, on June 5, 2021, we will welcome renowned chef and food activist Alice Waters to our stage to speak on the intersection of food equity, regenerative agriculture, and Montessori education. We are proud to welcome Alice Waters, a Montessori-trained educator, to our community and to an event that celebrates Marin Montessori School's commitment to fostering a deep and meaningful connection to our earth, from the youngest children through our Junior High.

Together we will sow the seeds to a brighter future.

THE POWER OF COMMUNITY

The Gather for Good: An Edible Education with Alice Waters, will be hosted at the Junior High Farm, welcoming all members of the MMS community. Our socially distanced event will start as you drive down the sunny, Eucalyptus-lined lane to the stunning west-facing fields that flank our Junior High campus. While being treated to a live band, guests will be guided to explore a truly unique "farmers market" style banquet, where each booth will overflow with local, and Alice Waters curated, specialties. From fresh fruits, farm-grown veggies, and MMS honey; to local cheeses, wine, and mason-jar cocktails, the Gather for Good basket will surprise and delight the epicures amongst us.

The evening will feature live music, a keynote address from Alice Waters, student presentations, [and so much more.](#)

“This is the power of gathering: it inspires us, delightfully, to be more hopeful, more joyful, more thoughtful: in a word, more alive.”

SUPPORTING THE GATHER FOR GOOD

At **Marin Montessori School**, almost a third of our students receive Tuition Assistance. Without TA, these students – our children, our children’s friends, and their families – would not be part of the MMS community. Our mission to educate confident thinkers and compassionate leaders who will shape the future is only possible when we have open doors for all students eager to learn and driven by the power of curiosity. It is with this goal in mind that we seek to raise over \$150,000 for Marin Montessori’s Tuition Assistance program.

We welcome you to join us as we bring to life this year’s Gather for Good; and [change lives.](#)
